PROFESSIONAL EXPERIENCE

Houlihan Lokey

Investment Banking Summer Analyst

Los Angeles, California

Summer 2020

- Completed an 8-week internship with the Financial Restructuring Group at Houlihan Lokey; returning full-time to New York office
- Built a debtor-in-possession (DIP) financing study to compare different terms and fees across transactions; used to advise negotiations
- Created discussion materials for aerospace parts distributor with detailed company financials, capital structure and situation analysis
- Explored strategic alternatives for retail business, incl. business break-up and in-court equitization (\$1B-\$5B Total Debt); built precedent transaction analyses based on business segments to determine valuation range for spin-off and assisted in construction of presentation illustrating standalone analysis of spun-off business unit

OMERS

Summer Analyst

Toronto, Ontario

Summer 2019

- Completed a 16-week internship within the Global Equities division of the Ontario Municipal Employees Retirement System (OMERS), a Canadian pension fund managing \$95B AUM
- Built operating models, discounted cash flow analyses and one-page investment summaries for holdings and watch-listed companies
- Arranged the weekly construction of the Global Equities Program's portfolio performance slide decks by adding graphs and macro commentary; used by Head of Equities to address the CEO and CIO
- Prepared in-depth presentation on the insurance brokers industry by exploring key business drivers, valuation, summaries of key players and identifying opportunities available in the space that aligned with investment strategy
- Constructed trackers for US banks' dividend and buyback payouts, daily move of FIG portfolio holdings relative to market indices, as well as key metrics and performance of MSCI constituents

Canalyst

Summer Analyst

Vancouver, British Columbia

Summer 2018

- Completed a 16-week internship at an equity research and analytics firm within the Industrials group
- Maintained updated financial models for a coverage universe of over 400 U.S. public companies; used by a client base of institutional investors
- Analyzed historical financial statements to generate actionable insights for future forecasts and model improvements
- Independently built detailed financial models that feature integrated live pricing (using Bloomberg, S&P Capital IQ API), company segment information, operating statistics and inputs for company-specific drivers
- Wrote research reports on subsectors within industrials for internal database, covering subsector-specific metrics

EXTRACURRICULAR ACTIVITIES

Queen's University Investment Counsel (QUIC)

Chief Strategy Officer

Kingston, Ontario

2018 – Present

- Selected as one of three executive members to lead a team of 35 students to manage a \$1.8M portfolio of Canadian and U.S. equities on behalf of the Queen's University Endowment Fund and Mackenzie Investments
- Responsibilities include analyzing investment proposals brought forward by sector teams, conducting 80+ interviews to hire the incoming analyst class, preparing presentations on investing and macroeconomic issues, liaising with stakeholder groups and spearheading events

Portfolio Manager, Industrials

- Prepare investment memorandums and holding analyses to present at QUIC public meetings on a tri-weekly basis to aid in the security selection process and exploration of industry trends
- Won the 2018 Deal Competition, acting as a mock M&A advisor on Metro Inc's \$4.5B acquisition of the Jean Coutu Group; prepared and presented fairness opinion to a panel of institutional investors

ADDITIONAL INFORMATION
